NEW YORK, Sept. 16,-Dun & Co.'s weekly review of trade sava: "Better than all other news the record of August commerce shows the relation of United States business to that of othr countries. Exports were \$20,082,871 larger than ever before in August and exceeded imports by \$37,929,699, partly because exports of staples were \$9,866,-978 larger than last year, but also because exports of other products, mainly manufacturing, were \$10,349,000 larger than last year and larger than in any

ther month of any year. "The volume of business now in progress has never been rivated. Clearing house payments in the second week of September were 20.2 per cent larger than last year and 58.9 per cent larger than in 1892. Railroad carnings in the first week of September were 9.7 per cent larger than last year and 13.1 per cent larger than in 1892. Returns covering half the mileage of the country show earnings in the United States amounting for Angust to \$52,861,869, exceeding last year's by 18.7 per cent and those of 1892 by 18.5 per cent.
"The great movement of grain, in

wheat and flour a little larger than last year in August and In two weeks of Sep-tember 5,920,273 bushels, flour included. from Atlantic ports against 5,423,076 last year and from Pacific ports 755,559 bushels against 364.144 last year, is far more effective in preventing a decline in prices than any official or unofficial estimate of rield. Government reports indicate a wheat crop of only 516,000,000 bus but last year the September report Indicated 585,000,000 bushels, and afterward the official return made it 675,000,000 bushels, and none would be surprised to

see a like revision this year.

"Extraordinary efforts to increase the iron output failed in August partly befor repairs more than balanced the addi-tion of 13 small furnaces to the producing force and partly because hot weather prevented full production. "A good thick coat of paint" is an erroneous expression. It should read 'a good thin coat of paint," for paint -hould not be plastered upon a building but spread on it with a brush and wellbrushed out. This week work of the painter makes him fired, but if he is conscientions and does his work carefully and thoroughly, he will use less paint with a much better result than the careless man who takes no interest m results.

Employ a good painter and pay him fair price for his work. Have thin coats of Pure Linseed Oil Paint applied to a dry surface and have them well The cheapest paint and the best paint

We closer the summer blocks the first or this month on the greatest volume of husiness the store ever had,--practically double great records in same lines of goods. This is not a boast, but a chance to say "thank you," and to draw some conclusions. I sed to be that stores counted certain trade as their own, and when Mrs. A sidaughter become. Mrs. B. the store folks were apt to speak of "four Mrs. B. ... There is less of that proprietorship, almost noise of it nowadays. This store a emancipation has brought a business freedom that is healthy all around. All to their own thinking and but where they can be best served. This vastly largest summer business means that thousands of thinking prople have found this store the advantageous place to make purchases

The antima store greets you. It will be newly ready each day as this great exposition unfolds all that we ve tound best for personal and home adornment. Welcome to neighbors, town folks and visitors

'Do Not Grasp at the Shadow and Lose the Substance.'

Many people are but shadows of their former selves; due to neglect of health. Look out for the blood, the fountain of life, the actual substance; keep that pure by regular use of Hood's Sarsaparilla and robust health will be the result. Dyspepsia, weakness, and other wornes will be things of the past and life

will be worth kning. Hacking Cough - "I was troubled with dry, hacking cough. One bottle of Hood's Sarsaparilla helped me and three bottles cured me and made me strong." George W. Bennum, Coolspring, Del. Hood's Sarsaparilla
